

# LOGGER'S SKIN CARE

## LOGGER'S GIFT SET

The perfect gift for the hardworking gentleman or outdoorsman. Walrus Oil's skincare products are made with 100% plant-based ingredients and designed for cold weather and when you need it most. Packaged in a beautifully designed exclusive gift box, perfect for the Holidays.

### Kit Includes:

- Logger's Lip Balm (2 pk)
- Logger's Hand Salve
- Muscle Relief Salve
- Stainless Steel Bottle Opener

## LOGGER'S HAND SALVE (2 oz)

Logger's Hand Salve is a dense creamy conditioner that revitalizes dried out cracked hands with nutrient rich oils, butters, and waxes. For long hard days working in the toughest conditions.

Handcrafted with Coconut Oil, Olive Wax, Candelilla Wax, Cocoa Butter, Kokum Butter, Clove Leaf Oil, Peppermint Oil, and Vitamin E. Tin easily slides in your back pocket. Formula is non-greasy, non-sticky, and non-shiny.

## LOGGER'S LIP BALM

Made for cold and brutal weather and those who work outdoors. Our vegan lip balm soothes, moisturizes, and protects with nutrient rich Almond Oil, Jojoba Oil, Coconut Oil, Black Currant Seed Oil, Shea Butter, Vitamin E, and Candelilla Wax. Lightly scented with Clove Flower Oil and cooling Menthol Crystals (0.5%). Made with only plant-based ingredients. Oval shaped stick for easy carry. Formula is non-greasy, non-sticky, and non-shiny.

# PRODUCTS

## CABIN WALLS & HARDWOOD FLOORS (32 oz)

Cabin Walls and Hardwood Floors is a commercial grade tung oil-based finish designed for interior architectural applications and the only finish we offer suitable for outdoor furniture. It locks in natural wood colors, while protecting wood surfaces from UV, water, and everyday wear and tear. Because of the scientific makeup of tung oil and perilla seed oil, it's a choice natural option for hardwood floors, interior cabin walls, beams, and cabinets. It's also effective at sealing outdoor wood furniture such as teakwood and oak.

Like everything we make, it's incredibly safe to use. Whether you're fixing up a small cabin, building a tiny house, or refinishing an old RV where wood surfaces are used throughout, there is no need to worry about dangerous fumes when applying this finish. There are no dyes or added dryers, it's 100% natural, VOC-free, and completely plant-based.

Made of a unique variety of light-amber tung oil with the addition of perilla seed oil, which helps thin the finish so it penetrates deeper, while also adding overall depth. Cures to a matte to satin finish. With several coats it leaves a thin hard film on the surface with a slight sheen. Lightly scented with Lime Oil.

## CUTTING BOARD CARE KIT

The Cutting Board Care Kit by Walrus Oil is a collection of our cutting board products, plus a buffing rag, all packaged in an exclusive collectible box. Perfect as a gift for the woodworker in your life, whether they're a seasoned professional or hobbyist just getting started. Also great for the home chef who has a wooden cutting board that needs some extra love.

**Kit Includes:**  
Furniture Finish (8 oz)  
Wood Wax (3 oz)  
Buffing Rag

## CUTTING BOARD OIL (8 oz)

Did you know wooden cutting boards and butcher blocks are not meant to be disposable but can actually live as long as sea turtles? With proper design, finishing, and maintenance wooden cutting boards can be passed down through generations. And that's where Walrus Oil Cutting Board Oil comes in.

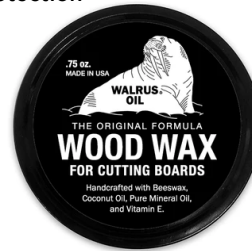

Our Cutting Board Oil is 100% Food-Safe and free of toxins and synthetics, designed for new builds or for reconditioning. And finally a heavy-duty cutting board oil that doesn't require multiple coats! It will leave your board with a silky smooth finish, rich color, and a little shine. The perfect ratio of ingredients locks in the natural wood tones while repelling water and food particles when in use. And it only takes seconds to apply.

## WOOD WAX FOR CUTTING BOARDS (3 oz)

Our Wood Wax is very dense and a pinch goes a long way. Handcrafted with Beeswax, Coconut Oil, Mineral Oil, and Vitamin E. It can be used as a standalone product or after applying a layer of our Cutting Board Oil. Wood Wax will add extra protection from water and moisture while bringing out more vivid wood color and shine. Simply apply a thin layer of wax, dry for 15 minutes, then buff with a rag.

- Semi-Gloss Finish
- Not Scented

## FURNITURE MAKER MASTER KIT

The Furniture Maker Master Kit by Walrus Oil is a collection of our entire line of furniture finishes, plus a buffing rag, all packaged in an exclusive collectible box. Perfect as a gift for the woodworker in your life, whether they're a seasoned professional or hobbyist just getting started. All finishes are made with 100% plant-based ingredients.

**Kit Includes:**  
Furniture Finish (8 oz)  
Furniture Butter (16 oz)  
Furniture Wax (3 oz)  
Buffing Rag

## FURNITURE BUTTER (8 oz)

Walrus Oil's Furniture Butter penetrates and seals with plant-based polymerizing oils and hard waxes, pulling out natural wood colors and tones, and locking them in permanently. The hard waxes add sheen and provides water protection after fully cured. Furniture Butter can be used as a completely standalone product and "one n done" solution. It also can be used after our Furniture Finish or before our Furniture Wax. Handcrafted with Perilla Seed Oil, Polymerizing Safflower Oil, Hemp Seed Oil, Tung Oil, Carnuba Wax, Candelilla Wax, Pine Rosin, with a hint of Lime.

## FURNITURE FINISH (8 oz)

Walrus Oil's Furniture Finish is a penetrating oil-based finish that soaks deep into hardwoods, pulling out natural wood colors and tones, and locking them in permanently. There are no dyes or added dryers, which can cause yellowing in the wood. Furniture Finish is completely natural, vegan friendly, and made of Polymerizing Safflower Oil, Hemp Seed Oil, Tung Oil, Perilla Seed Oil, and a hint of Lime for freshness. Ideal for hardwood chairs, dressers, picture frames and more. Safe for food-contact surfaces. Cures to a beautifully smooth matte finish.

## FURNITURE WAX (3 oz)

Walrus Oil Furniture Wax is a dense, hard wax designed to add water protection, a little shine, and color richness to woodworking projects. Also useful for polishing old furniture and wood items. Handcrafted with food-safe Carnuba Wax, Candelilla Wax, Polymerizing Safflower Oil, Hemp Seed Oil, Tung Oil, and Perilla Seed Oil, with a hint of Lime for freshness. Cures to a matte to satin finish.
